SUMMARY

A Microsoft Certified AI-900 professional, 7x Hackathon Winner and a Third-Year Computer Engineering student, enthusiastic about exploring new technologies. Keen on learning more about Machine Learning, Edge AI and Agentic AI, with a passion for innovation and continuous growth. Actively engaged in sports and always open to tackling real-world problems to find effective solutions.

EDUCATION

Thadomal Shahani Engineering College

BE Computer Engineering

Grade: CGPA - 9.67

Bandra, Mumbai

Aug. 2023 – Present

Pace Junior Science College

Higher Secondary Certificate (HSC)

Grade: 92%

Borivali, Mumbai

Aug. 2021 – May 2023

PROJECTS

Aether: LLM Council (Multi-Agent AI System) ([GitHub Repo](#))

- Engineered a multi-agent system (Planner, Researcher, Critic, Synthesizer) for collaborative reasoning.
- Developed an orchestration pipeline for seamless inter-agent communication and response validation.
- Tech Stack: Python, LLM APIs, LangGraph, Multi-Agent Architecture

Offline RAG Mobile App ([GitHub Repo](#))

- Engineered an offline RAG mobile app for on-device document querying without internet dependency.
- Optimized local LLMs and vector embeddings for efficient semantic search on resource-constrained 6GB RAM phones.
- Tech Stack: React Native, Python, Local LLMs, Vector Database

DermAid – Dual-Agent Dermatology AI System ([GitHub Repo](#)) | ([Live App](#))

- Built a dual-agent AI system for cosmetic skin analysis and medical triage (acne, eczema, psoriasis).
- Developed an adaptive skincare engine with on-device inference, optimized for diverse skin tones.
- Tech Stack: Next.js, TensorFlow.js, Python, Agentic AI Workflows

ACHIEVEMENTS

Winner NEED FOR CODE (NFC) 4.0 AIML Hackathon: Achieved 1st place nationwide for building an innovative AI/ML solution. ([View Achievement](#))

Winner Codeissance AIML Hackathon: Secured 1st position for developing a high-impact machine learning project. ([View Achievement](#))

Winner m-Indicator National Level AI Hackathon: Secured 2nd Runner Up position at VJTI College. ([View Achievement](#))

TECHNICAL SKILLS

Languages: C, C++, Python, HTML, CSS, JavaScript, React.js, Node.js, Oracle/MySQL, React Native

Developer Tools: GitHub, VS Code, Jupyter Notebook, Azure, Google Colab

Libraries: Pandas, NumPy, Matplotlib, OpenCV, Transformers, Scikit-learn, TensorFlow, Seaborn, PyTorch

Certifications: Azure AI-900, Udemy Gen AI Course, PostgreSQL Certification

EXTRACURRICULAR AND LEADERSHIP

Chairperson Rotaract Club of Parleshwar: Led and executed multiple inter-club sports events including cricket, football, and badminton.

Secretary TSEC Students' Council: Managed planning and execution of annual events. Coordinated logistics and inter-department participation.
